2.0 BACKGROUND

The County Governments Grants Bill, (Senate Bills No. 35 of 2021) was published on 25th May, 2021 and introduced in the Senate on 6th July, 2021. The Bill intends to provide a mechanism or instrument for transfer of conditional or unconditional grants from national governments' share of revenue and from proceeds of loans and grants from development partners to the county governments. The Bill is in compliance with the High Court ruling on Petition No.252 of 2016.

The Bill was passed by the Senate on 15th September, 2021 and transmitted to the National Assembly for concurrence. The National Assembly passed the Bill with amendments on 2nd December, 2021.

At a plenary sitting held on Tuesday, 21st December, 2021, the Senate considered the National Assembly amendments to the County Governments Grants Bill, (Senate Bills No. 35 of 2021) and rejected all the amendments.

Pursuant to Article 112 (2) (b) of the Constitution and Standing Orders of both Houses, the Bill was referred to a Mediation Committee under Article 113 of the Constitution.

3.0 CONSIDERATION OF THE COUNTY GOVERNMENTS GRANTS BILL, (SENATE BILLS NO. 35 OF 2021)

The Committee was established to develop an agreed version of the County Governments Grants Bill, (Senate Bills No. 35 of 2021).

The Committee held a meeting with key stakeholders who made presentation as summarized here below-

The National Treasury and Planning

- a) The National Assembly amended Clause 3 of the County Governments Grants Bill, 2021 by deleting 2021/2022, Clauses 4, 8 and 9, and deleted schedule 1 and 2. This makes the Bill a perpetual law instead of the Senate position of annual bill/law. This is the point of disagreement between the two Houses.
- b) The role of the National Treasury is limited to signing of Financing Agreements between the Government and the development partners/financiers.
- c) The National Treasury was in support of the National Assembly's position of making the Bill a perpetual.

- d) The responsibility of resolving disagreements should be assigned to the respective Ministry, Department and Agencies (MDAs) responsible for the conditional grants and to whom the grants are appropriated. This is because MDAs are in charge of the functions for the grants and are better placed to give policy direction and conditions for access to the grants by the county governments.
- e) The consideration and passage of a legal framework for disbursement of the conditional grants should be expedited since the donors may withdraw the Kshs39 billion meant for projects in counties.
- f) Donors have timeline on disbursement of the grants and reporting deadline.
- g) The National Treasury had not issued any county governments grants for the FY 2021/2022 and it's a concern from the development partners.
- h) There is need to come up with an alternative way to disburse the funds since the absorption rate has been low due to delays in disbursement.
- i) The CS requested the Members of Parliament from both Houses to quickly make final decision to resolve the flow of funds to counties because delayed disbursement of the funds has attracted concerns from the foreign donors. He further noted that even if the Committee resolved the Bill be annual, the Treasury would be satisfied as this would unlock the delayed disbursement of funds.

The Council of Governors (CoG)

- a) Noted that the proposal by the National Assembly- idea of a perpetual law on conditional grants would not be the best.
- b) The conditional grants have diverse conditions and these may need to be reviewed either annually or depending on nature agreements that that are entered to.
- c) He argued that it would be difficult to process grants provided in the middle of the budget cycle if the schedule would be attached to the BPS as pro-

posed by the National Assembly. He cited the desert locust emergency fund that took nine (9) months to be disbursed.

- d) Noted that disbursement of funds to the counties should not be administrative discretion since this would allow administrative manipulation, unnecessary delays and human/ system interferences.
- e) He requested the Mediation Committee to agree to take the Senate's annual Bill to disburse the funds for the FY 2021/2022 as it was the best option at the moment.

The Office of Controller of Budget

- a) Noted the need to harmonise the definition of 'grant' in the Bill with the definition provided in the Public Finance Management Act, 2012.
- b) Noted the need to harmonise the definition of 'loan' in the Bill with the definition provided in the Public Finance Management Act, 2012.
- c) Clause 7 should be amended on the reporting aspects to allow counties report on challenges and risks in implementation of projects funded by the conditional grants.

The Commission on Revenue Allocation

The Commission reiterated on the need to have a mechanism to unlock the delayed disbursement of conditional grant funds.

4.0 THE COMMITTEE'S RECOMMENDATIONS

- a) THAT, Clause 1 of the Bill be amended by deleting the word "Grants" and substituting therefor the following words "Additional Allocation". This is to align the provision with the phraseology of the Constitution under Article 202(2).

- b) THAT, Clause 2 of the Bill be amended in the definition of “conditional allocation” by deleting the word “conditional” and substituting therefor the word “additional”. This is because the words ‘additional allocations’ would consist of additional allocations from both national government share of revenue and development partners.
- c) Clause 3 be amended to read ‘The object of this Act is to provide, pursuant to Article 202 (2) of the Constitution, for additional allocations for the financial year 2021/22.
- Further insert a new subclause to provide that the object of the Bill is to provide for transfer of additional allocations from proceeds of loans and grants from development partners.
- d) Clause 4 should set out the specific conditional grants corresponding to the First and Second Schedule.
- e) Introduce a new clause to provide for funding under this Act on the transferred functions from county governments to National government.
- f) Clause 5 should obligate the Cabinet Secretary to provide monthly reports on the disbursement funds under this Act.
- g) Clause 6 should obligate the county treasuries to include additional allocations in their books of accounts.
- h) Clause 7 should obligate the county treasuries to, as part of consolidated quarterly and annual reports required under PFM Act, report on-
- i. Actual transfers,
 - ii. Actual expenditures,
 - iii. Extent of compliance with provisions in the intergovernmental agreement on specific additional allocations,
 - iv. Explanations on any material challenges and risks in expenditure of any allocations under this Act, and
 - v. Any other information that may be required by the under respective intergovernmental agreement.

- i) Clause 8 provide for consequential amendments to PFM Act as follows-
 - i. Section 42- to provide for consideration of county governments additional allocation bill along with other bills allocating revenues to the counties by Parliament.
 - ii. Section 191- to provide for submission of county governments additional allocation bill along with other bills allocating revenues to the counties.
 - iii. Inserting new sections 191A, 191B, 191C, 191D, 191E- to provide for process of dealing with intergovernmental agreements on any additional allocations, public participation, execution of agreements, publication of agreements and requisition of funds provided in the county governments additional allocations Act.
- j) Clause 9 should provide for transition period due to the ongoing conditional allocations.
- k) That the schedules be attached to the as stipulated in clause 4.
- l) The two Houses of Parliament to approve this report and its appendix thereof.
