PART FOUR

4 REASONS WHY THE COMMITTEE DIDN'T CONCLUDE SOME OF ITS WORK

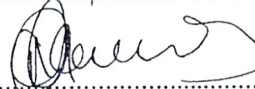

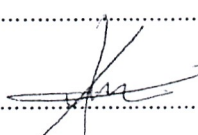

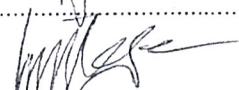

29. The Committee experienced the following challenges which made it difficult for it to optimally discharge its mandate:
- I. Inadequate committee meeting rooms and furniture occasionally led to delays in starting meetings and at times cancellation of meetings.
 - II. The COVID-19 pandemic affected the frequency of meetings and it made it difficult to meet stakeholders to prosecute matters before the Committee. This affected the Committee's efficiency in the execution of its mandate.
 - III. The Court Ruling on the Petition by the Senate regarding consideration of Bills between the two Houses of Parliament halted consideration of Bills in the National Assembly for a while. This increased the backlog of Bills in the Committee.
 - IV. Unavailability of Government officials when invited for meetings to consider business before the Committee. This made it difficult for the Committee to discharge its mandate effectively.
 - V. Some Members whose business was referred to the Committee were not available when invited for Committee meetings to consider their Questions, Legislative Proposals, Statements or Petitions.
 - VI. Difficulty in raising quorum because of the 2022 General Elections, especially in Sixth Session slowed down activities of the Committee.
